Granite Edvance Student Loan and EdvestinU are loan products of Granite Edvance Corporation and may be funded by Granite Edvance Corporation NMLS ID# 1527348, [www.nmlsconsumeraccess.org](http://www.nmlsconsumeraccess.org) or Bank of Lake Mills, member FDIC. Subject to credit approval and underwriting guidelines. Bank of Lake Mills does not have an ownership interest in Granite Edvance. Neither Granite Edvance nor Bank of Lake Mills is affiliated with the school you attended or are attending.

Loans offered through Granite Edvance Corporation are intended to supplement, not replace, federal and institutional financial aid options.

Refinancing a federal student loan means forfeiting the benefits associated with federal loans. We encourage you to speak with your federal loan servicer and research the options before choosing to refinance a federal student loan.

<sup>1</sup> Cosigner release allowed if an account is in current standing, after 24 months of consecutive and on-time payments (or fewer, as required based on borrower's state of residency), and the borrower meets the loan program's current underwriting criteria.

<sup>2</sup> Borrowers with private loans that are in deferment (including borrowers who elect deferred repayment), a grace period, or forbearance are not eligible to enroll and receive the automatic debit benefit until they enter into repayment. Borrowers electing to enroll in interest-only or immediate repayment are eligible to enroll in automatic debit upon initial disbursement.
